

**ROS AGRO PLC
DIRECTORS' RESPONSIBILITY STATEMENT**

The Company's Board of Directors is responsible for the preparation of the consolidated financial statements that give a true and fair view in accordance with International Financial Reporting Standards as adopted by the European Union and the requirements of the Cyprus Companies Law, Cap.113, and for such internal control as the Board of Directors determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. This responsibility includes selecting appropriate accounting policies and applying them consistently; and making accounting estimates and judgements that are reasonable in the circumstances.

In preparing the consolidated financial statements, the Board of Directors is also responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Each of the Directors confirms to the best of his or her knowledge that the consolidated financial statements, which are presented on pages 1 to 68, have been prepared in accordance with International Financial Reporting Standards as adopted by the European Union and the requirements of the Cyprus Companies Law, Cap.113, give a true and fair view of the assets, liabilities, financial position and profit or loss of the Company.

Further, the Board of Directors confirms that, to the best of its knowledge:

- (i) adequate accounting records have been maintained which disclose with reasonable accuracy the financial position of the Company and explain its transactions;
- (ii) all information of which it is aware that is relevant to the preparation of the consolidated financial statements, such as accounting records and all other relevant records and documentation, has been made available to the Company's auditors;
- (iii) the consolidated financial statements disclose the information required by the Cyprus Companies Law, Cap.113 in the manner so required;
- (iv) the Management Report has been prepared in accordance with the requirements of the Cyprus Companies Law, Cap.113, and the information given therein is consistent with the consolidated financial statements;
- (v) the information included in the corporate governance statement in accordance with the requirements of subparagraphs (iv) and (v) of paragraph 2(a) of Article 151 of the Cyprus Companies Law, Cap. 113, and which is included as a specific section of the Management Report, have been prepared in accordance with the requirements of the Cyprus Companies Law, Cap. 113, and is consistent with the consolidated financial statements; and
- (vi) the corporate governance statement includes all information referred to in subparagraphs (i), (ii), (iii), (vi) and (vii) of paragraph 2(a) of Article 151 of the Cyprus Companies Law, Cap. 113.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS

OF

ROS AGRO PLC

Report on the audit of the consolidated financial statements

Opinion

We have audited the accompanying consolidated financial statements of ROS AGRO PLC (the "Company") and its subsidiaries (the "Group"), which are presented on pages 1 to 68 and comprise the consolidated statement of financial position as at 31 December 2021, and the consolidated statements of profit or loss and other comprehensive income, changes in equity and cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements give a true and fair view of the consolidated financial position of the Group as at 31 December 2021, and of its consolidated financial performance and its consolidated cash flows for the year then ended in accordance with International Financial Reporting Standards as adopted by the European Union ("IFRS-EU") and the requirements of the Cyprus Companies Law, Cap. 113, as amended from time to time (the "Companies Law, Cap.113").

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing ("ISAs"). Our responsibilities under those standards are further described in the "Auditors' responsibilities for the audit of the consolidated financial statements" section of our report. We are independent of the Group in accordance with the International Code of Ethics (Including International Independence Standards) for Professional Accountants of the International Ethics Standards Board for Accountants ("IESBA Code") together with the ethical requirements in Cyprus that are relevant to our audit of the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Assessment of fair value of investment in LLC GK Agro - Belogorie

Please refer to the Note 10 in the financial statements.

The key audit matter	How the matter was addressed in our audit
<p>This issue has become a key focus area for our audit due to the significance of the amounts and the subjective nature of the valuation of investment in LLC GK Agro-Belogorie.</p> <p>At 31 December 2021, the carrying amount of investment in LLC GK Agro-Belogorie at fair value through other comprehensive income amounted to RUB 8 556 556 thousand.</p> <p>The fair value of this investment was measured using a discounted cash flow model based primarily on unobservable inputs and involving significant management judgment.</p>	<p>We involved our own valuation specialists to assist us in evaluating the assumptions and methodologies used by the Company.</p> <p>Among others, our audit procedures included:</p> <ul style="list-style-type: none"> - evaluating the principles and the integrity of the Company's discounted cash flow model - assessing the reasonableness of the Company's assumptions including projected EBITDA margins and discount rates - assessing the accuracy of the Company's historic financial information to support evaluation of forecasts incorporated in the discounted cash flow model <p>We also considered the adequacy of the Company's disclosures with regard to fair value measurement of this investment.</p>

Acquisition of Assets from Solnechnye producty

Please refer to the Note 4 and Note 15 in the financial statements.

The key audit matter	How the matter was addressed in our audit
<p>During 2018, the Group entered into a transaction involving the acquisition of secured debt from a third-party group of companies Solnechnye Producty (SolPro), which were classified as short-term and long-term investments and initially recognized at fair value.</p> <p>During 2021 the Group purchased assets of SolPro in the amount of RUB 28 202 943 thousand and recognised a reversal of expected credit loss allowance for the loans receivable from SolPro in the amount of RUB 4 804 688 thousand due to settlement of the debts in the excess of the carrying amount recognised.</p> <p>At 31 December 2021, the carrying amount of investment in SolPro recognised at amortised cost amounted to RUB 1 591 805 thousand</p>	<p>We assessed whether the assets acquired by the Group from SolPro meet definition of business under IFRS 3 by analysing whether elements of definition of the business are present.</p> <p>We assessed whether the Group might have obtained control over SolPro assets before acquisition of those assets by analysing the rights of the Group as the main creditor over the relevant activities of SolPro during the bankruptcy process.</p> <p>We also considered the adequacy of the Group's disclosures with regard to this transaction.</p>

Given the overall complexity of the transaction and the judgements applied in this calculation we consider this to be a key audit matter.

Other information

The Board of Directors is responsible for the other information. The other information comprises the consolidated management report, which we obtained prior to the date of this report, and the Company's Annual Report, other than the consolidated financial statements and our auditors' report thereon, which is expected to be made available to us after that date.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon, except as required by the Companies Law, Cap.113.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

With regards to the consolidated management report, our report in this regard is presented in the "Report on other legal requirements" section.

When we read the Company's Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and if not corrected, we will bring the matter to the attention of the members of the Company at the Company's Annual General Meeting and we will take such other action as may be required.

Responsibilities of the Board of Directors and those charged with governance for the consolidated financial statements

The Board of Directors is responsible for the preparation of consolidated financial statements that give a true and fair view in accordance with IFRS-EU and the requirements of the Companies Law, Cap. 113, and for such internal control as the Board of Directors determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the Board of Directors is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting, unless there is an intention to either liquidate the Group or to cease operations, or there is no realistic alternative but to do so.

The Board of Directors and those charged with governance are responsible for overseeing the Group's financial reporting process.

Auditors' responsibilities for the audit of the consolidated financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves a true and fair view.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities of the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the Group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report.

Report on other legal requirements

Pursuant to the additional requirements of the Auditors Law 2017, L.53(I)/2017, as amended from time to time ("Law L.53(I)/2017"), and based on the work undertaken in the course of our audit, we report the following:

- In our opinion, the consolidated management report, the preparation of which is the responsibility of the Board of Directors, has been prepared in accordance with the requirements of the Companies Law, Cap 113, and the information given is consistent with the consolidated financial statements.
- In the light of the knowledge and understanding of the business and the Group's environment obtained in the course of the audit, we have not identified material misstatements in the consolidated management report.

Other Matters

Reporting responsibilities

This report, including the opinion, has been prepared for and only for the Company's members as a body in accordance with Section 69 of Law L.53(I)/2017 and for no other purpose. We do not, in giving this opinion, accept or assume responsibility for any other purpose or to any other person to whose knowledge this report may come to.

Comparative figures

The consolidated financial statements of the Group for the year ended 31 December 2020 were audited by another auditor who expressed an unmodified opinion on those consolidated financial statements on 14 March 2021.
